

## Jon Reitz

Jon Reitz joined Walgreens in 1999 as a pharmacist. He currently is the Walgreens Regional Vice-President for Orlando and Tampa and is responsible for the day to day operations of the front end and pharmacy departments in over 350 Walgreens stores in Central Florida. Prior to relocating to Florida, Jon served as the Senior Director of Operations for Walgreens Healthcare Clinics based out of Deerfield, IL. He oversaw the operation of 400 healthcare clinics located in Walgreens stores. These clinics employed Nurse Practitioners and Physician Assistants. Before moving to Deerfield, Jon lived in the Baltimore area as the Regional Healthcare Director for Walgreens. His territory included the states of DE, VA, MD, WV, NC, SC and DC encompassing over 600 stores. His main responsibility was managing and overseeing the implementation of all Walgreens pharmacy operations programs; and ensuring quality prescription dispensing and customer service. Prior to this he spent 3 years as a pharmacy supervisor and one year as the Healthcare Market Leader in Phoenix, AZ. He earned his BS in Pharmacy from Duquesne University in Pittsburgh, PA.
