Diminishing Returns

The Point of Diminishing Returns

Health Impact

Spending
Five Steps to Health in America

Step 1: Prioritize Wellness as a Key Domestic Policy with a Broad National Focus

Step 2: Improve the Current Health System

Step 3: Strengthen the Public Health Infrastructure

Step 4: Move to People and Community – Centered Care: Integrating Mind, Body, and Spirit

Step 5: Support Health in All Policies
Triple Aim

- Lower Cost
- Improve Care
- Improve the Health of the Entire Community
How Floridians Pay for Healthcare

- Third highest rate of uninsured in the US
- Coverage expansion rejected in 2015
Consumers

Who is the largest payer in Healthcare?

- Medicare: 26%
- Medicaid: 18%
- Private Business: 21%
- Individual: 28%
Extending the healing ministry of Christ
